A few photos of the day:

HTM Demonstration:  
Bankhill Lord of the Rings is Purepixie

Have-a-go agility

## **BUTTERFLIES WALK FOR CHARITY**

Almost £500 was raised by a Dog Walk in the New Forest in September, of which over £200 was raised by papillons. The money raised will go towards an Adult unit for patients that have undergone day surgery for heart operations. These procedures are carried out by going in through the wrist rather than in the groin.

The day was bright and sunny and was most enjoyable. All the dogs behaved impeccably and were not tired at all at the end of the w

My thanks must go to all the kind and generous people who sponsored me and my papillons without whom this accreditable sum would not have been possible for this very worthwhile cause.

THANK YOU ALL

*Pat Cox*

### **A Message from the Chairman**

The 2015 Fun Day was huge success thanks to Kirsty and Amanda's organisation. The galley slaves worked their socks off producing excellent food,so popular that they were soon eaten out of house and home'

Vicky proved a most excellent steward keeping the events running smoothly. My thanks to the Judge, Alison Atkins for giving of her time and expertise. Even the sun made an appearance which helped to make the day.

On our future events, our christmas party/Fun Day is is on the 5th December despite there only being 31 revellers. Mrs Christmas will be judging the events whilst Father Christmas will be in attendance with gifts for all.

Our Champ show for 2016 in August will now be held off Junction 24 of the M5,(see schedule for details) This is because our usual venue is unavailable due to possible closure, and the need to inform the KC of the change for a licence.. It is hoped that for 2017 the ch show will be in a more Eastern part of our area.

The Open show is our next event, this will be at Cheiveley village hall in February 2016.I hope as many of you as possible will be entering to support us.

It just remains for me to thank everyone for their continued support of the club and to wish you all a very Happy Christmas and a most successful new year in the show ring.

Yours Aye Brian
